

The Mint Hill Chamber of Commerce would like to say thank you for the contributions, participation and support from our loyal and dedicated members.

Our 2010 calendar will continue to include the bi-monthly newsletter informing members of upcoming events and other information of interest, as well as additional vehicles for members to advertise and promote their products and services.

Monthly luncheons will still provide opportunities for members to network and hear presentations from local and regional businesses.

Business Afterhours has a strong following allowing members to visit local businesses, meet the owners and learn more about their products and services.

The fall member meeting provides information on Chamber progress as well as networking opportunities. Let's not forget the annual directory and the chamber website which keep us updated, informed and in the public's view.

Your participation and suggestions are always welcome and encouraged so please feel free to *get involved!*

Friends of the Chamber

Growth in any and all endeavors presents challenge. The Mint Hill Chamber of Commerce is no exception! Some of the challenges we as a chamber face are continually creating new avenues for income to keep operating while at the same time creating new opportunities and avenues for members to be able to showcase their products and services. In keeping with these goals we are continually in search of new programs for advancing the visibility of our members.

The Friends of the Chamber program offers members additional opportunities for higher visibility in the community through numerous print and web based venues.

We have created several categories to choose from in order to help members raise awareness of their businesses. The categories listed below provide participation levels that you can be comfortable with and the benefits of each level can be easily understood.

We hope you'll participate in this exciting and ongoing program and reap the benefits of its reach in the community. As growth in Mint Hill continues and more and more new businesses open in our area, we know you'll be glad you made the decision to become a Friend of the Mint Hill Chamber of Commerce.
