Mint Hill Madness Event 2010

In an effort to showcase this great community where we live, work and play, the chamber has decided to bring the Madness event back to the downtown area. It is our hope that this event, which brings in many residents as well as visitors from surrounding counties, will become our own "economic stimulus" for our business members.

*Madness will still offer many favorites, such as rides, entertainment, parade, food, arts & crafts, beauty pageant and the dog show & race in the vicinity of Hwy 51 & Lawyers Road. Please visit our website to view all the details and consider becoming a **sponsor or a volunteer** for our fall event!*
